

MESSAGE FROM SARAH CRAWLEY

A very warm welcome to the start of the new Academic Year 2017-2018 and a special warm welcome to our new students starting in Year 7.

We begin the year delighted to congratulate our Cape Cornwall School Summer 2017 leavers on their excellent

results. Thank you to all parents and carers who worked together with Cape Cornwall School to support these students as they worked incredibly hard to achieve a fabulous set of results.

We begin this term by welcoming seven new subject specialist staff, it is my pleasure to introduce: Ms Rushbury, Director of Learning for English, Humanities and Modern Foreign Languages, Miss Kessell – Geography, Mr Fewster – Maths and Humanities, Mrs Smith – Maths, Miss Watkinson – Maths and PE, Mrs Thomas – English, Miss Wood – Science. Ms Rushbury has responsibility for the organisation and delivery of our Accelerated Reader scheme which will be introduced to Year 7 and Year 8 this term.

Also this term Cape Cornwall School has introduced a new behaviour policy which includes a revised rewards system, details of this are on the website.

[Behaviour Policy](#)

We would greatly appreciate your ongoing support as parents and carers in helping us to reinforce key school messages with your son or daughter.

For your information the next parent update meeting will be on Monday 9th October at 6.30pm

County Cup Cricket Champions

Congratulations to our Year 8 cricket team who won the U12 County Cup Cricket Final on Thursday 7 September. They all played fantastically and will now go on to the Regional finals.

Happy students, after a successful first day!
