

Home Learning Curriculum: Year 7 – for 2 weeks beginning Monday 11th May – Friday 22nd May

To support your child home learning, we have designed the following curriculum. This is based on students recapping previous taught knowledge from the year to ensure a secure understanding of the foundation learning for each subject. The curriculum has been sequenced so that topics are carefully interleaved and revisited. We have been careful only to include a small amount of new content where appropriate.

The timetable includes 30 minutes of the following subjects and can be completed in the morning with appropriate breaks: English / Maths / Science / PE / Option Subject.

Week beginning 11 th May	Monday	Tuesday	Wednesday	Thursday	Friday
Maths 30 Minutes	Mr Cassidy Add, subtract and multiply decimal numbers (Manga High) Mrs Lawry Adding with integers and decimals (Maths Watch)	Mr Cassidy Multiplying and dividing decimal numbers (Manga High) Mrs Lawry Subtracting with integers and decimals (Maths Watch)	Mr Cassidy Decimal calculations / Multiply and divide by a number between 0 – 1 (Manga High) Mrs Lawry Adding and subtracting with negative numbers (Maths Watch)	Mr Cassidy Mixed and improper fractions / Write one number as a fraction of another (Manga High) Mrs Lawry Multiplying and dividing with negative numbers (Maths Watch)	Mr Cassidy Simplify fractions / Order decimals and fractions (Manga High) Mrs Lawry Negative numbers review (Manga High)
English 30 Minutes	Exploring fiction texts: Completing KS3	Exploring fiction texts: Completing KS3 BBC Bitesize lesson	Exploring fiction texts: Completing KS3 BBC Bitesize lesson	Exploring fiction texts: Completing KS3 BBC Bitesize lesson	Exploring fiction texts: Completing KS3 BBC Bitesize

	BBC Bitesize lesson https://www.bbc.co.uk/bitesize/subjects/z3kw2hv critical reading – how to investigate language in fiction texts	https://www.bbc.co.uk/bitesize/subjects/z3kw2hv critical reading – how to investigate structure in fiction texts	https://www.bbc.co.uk/bitesize/subjects/z3kw2hv critical reading – how to compare fiction texts	https://www.bbc.co.uk/bitesize/subjects/z3kw2hv critical reading – how to understand unfamiliar vocabulary	lesson https://www.bbc.co.uk/bitesize/subjects/z3kw2hv critical reading – how to use evidence from a text
PE 30 Minutes	Joe Wicks live at 9am: https://www.youtube.com/channel/UCAxW1XT0iEJoTYIRfn6rYQ	Fitness: https://www.fitnessblender.com/videos	All Move: Olympic style games, document will be added to SMHW	Yoga: https://www.youtube.com/watch?v=6Ekep9GqvaM https://www.youtube.com/watch?v=UOABu90Bivc	Just Dance: https://www.youtube.com/watch?v=YIYx83VOGGs https://www.youtube.com/watch?v=v3qKbi1QWSw
Break 30 Minutes					
Science 30 Minutes	Tassomai daily goal plus bonus goals	Fantastic Physics	Tassomai daily goal plus bonus goals	Fantastic Physics	Tassomai daily goal plus bonus goals
Option 30 Minutes	History Black Death revision	Geography Students will read ahead and study the topic of Glaciers. SENECA 7.1 Overview of Glaciers & How They Work 7.2 Glacial Landforms	French Revision “School opinions”. Complete 3 tasks on Seneca (link on SMHW). Then complete quiz on all previous topics on SMHW.	Creative - D&T - Design Challenge	RE – Buddhist learning 2

Week beginning 18th May	Monday	Tuesday	Wednesday	Thursday	Friday
Maths 30 Minutes	<p>Mr Cassidy Add, subtract and multiply fractions (Manga High)</p> <p>Mrs Lawry Finding the mean (Manga High)</p>	<p>Mr Cassidy Find fractions of an amount (Manga High)</p> <p>Mrs Lawry Finding the mode (Manga High)</p>	<p>Mr Cassidy Change fractions into decimals and percentages (Manga High)</p> <p>Mrs Lawry Finding the median (Manga High)</p>	<p>Mr Cassidy Find factors and multiples / Find prime factors (Manga High)</p> <p>Mrs Lawry Finding the range (Manga High)</p>	<p>Mr Cassidy Rounding and estimation (Manga High)</p> <p>Mrs Lawry Averages recap (Manga High)</p>
English 30 Minutes	<p>Exploring fiction texts: Completing KS3 BBC Bitesize lesson https://www.bbc.co.uk/bitesize/subjects/z3kw2hv</p> <p>fiction writing – how to use language for effect</p>	<p>Exploring fiction texts: Completing KS3 BBC Bitesize lesson https://www.bbc.co.uk/bitesize/subjects/z3kw2hv</p> <p>How to use structure for effect</p>	<p>Exploring fiction texts: Completing KS3 BBC Bitesize lesson https://www.bbc.co.uk/bitesize/subjects/z3kw2hv</p> <p>How to draft your writing</p>	<p>Exploring fiction texts: Completing KS3 BBC Bitesize lesson https://www.bbc.co.uk/bitesize/subjects/z3kw2hv</p> <p>How to engage the reader in the opening paragraph</p>	<p>Exploring fiction texts: Completing KS3 BBC Bitesize lesson https://www.bbc.co.uk/bitesize/subjects/z3kw2hv</p> <p>How to use linguistic devices in your writing</p>

Break					

30 Minutes					
Science 30 Minutes	Tassomai daily goal plus bonus goals	Investigating Sun and Shadows 1	Tassomai daily goal plus bonus goals	Investigating Sun and Shadows 2	Tassomai daily goal plus bonus goals
Option 30 Minutes	History Create a guide to surviving the Black Death	Geography Students will recap prior knowledge of Tectonic Hazards using SENECA 8.1 Continental Drift & Plate Tectonics, 8.2 Earthquakes 8.3 Volcanoes	French Revision "Higher numbers, months of the year and time". Complete the tasks on Seneca (link on SMHW).	Creative - D&T - Design Challenge	RE – Buddhist learning 2

Please feel free to adapt the timings as necessary. You could do 9-12, 10-1, or split it over the day.

All staff remain contactable through their emails or through enquiries@cape.cornwall.sch.uk

Home Learning Resource guide and staff contact details can be found at: <https://cape.cornwall.sch.uk/home-learning-resources>

Parent information

Maths	Over the next two weeks students will be completing past topics through the use of Maths Watch, Seneca, Google Classroom and a new Maths resource called Manga High. All the details for the work and how to login in to Manga High are on show my homework. If your child has any problems accessing the work please contact their Maths teacher.
-------	--

English	Over the next two weeks, students will explore fictional texts, making their own notes on critical reading and fictional writing. They will need to complete the specified daily lesson on BBC Bitesize for each element, including taking the end of topic quizzes. More information will be available on Show My Homework.
Science	Over these two weeks students will continue reviewing previous topics through the use of Tassomai, an online revision program which uses an intelligent algorithm to learn their strengths and knowledge gaps, and tailors quizzes to suit each individual. In addition to this, we'll be bringing a more practical focus into our activities, first with Fantastic Physics, followed by creating a traditional sundial by investigating sun and shadows.
History	In week one, students will revise their knowledge of the Black Death in Medieval times using the key facts and keywords sheet to help them. In week two, they will use this knowledge to create a guide to surviving the Black Death. All instructions and the help sheet are on show my homework.
Geography	Students will spend the next fortnight exploring glaciers and tectonic hazards using Seneca to revise and recap prior knowledge.
French	For the first week students will be revising vocabulary of "School opinions". They will then complete a quiz on all the topics previously studied in Year 7. The second weeks work will be revising "Higher numbers, months of the year and time". All details will be on SMHW.
Creative – D&T	Learning about & implement different design strategies. Pupils will be tasked to create everyday objects, but with the challenge of making them truly unique. If they are able to, as well as designing, they will need to create models of their developed products.
RE	Find out five facts about Buddhism.
PE	Students will have the option to complete a range of exercises throughout the week including dance, a variety of fitness and yoga in order to stay active.

Home Learning Optional Afternoon Curriculum: Monday 11th May – Friday 22nd May

The afternoon is free for you to use as you wish. Below are some suggested activities that you may wish to use:

Mr Raby	<p>Learn a new bird song each day! There are many free smartphone apps out there which have samples of common bird songs. Download one of these apps and then pick a different bird each day to learn the calls. Spend some time listening to the calls, then head into the garden or to an open window and start listening! Good birds to start with are robins, sparrows, pigeons and perhaps several types of gulls!</p>
Mrs Smith	<p>Typing club for every student - The link is https://cape-cornwall.typingclub.com/ All students will need to login using the following details: Username - their school computer username Password – cape</p>
Mr Cassidy	<p>Numeracy challenge Please click on the link below to access the numeracy challenge. Winners will be announced on Monday 1st June. Good luck! https://forms.gle/h2UqUbahVNpB2buRA</p>
Mr Gapp	<p>Please come up with a cool garden/house game for yourselves and post a comment on how the game went on SMHW.</p>
Mrs Beamish	<p>Set up a Still life grouping on a table – sit some people around it – could be just 2 people! Each draw it - taking 5mins – then pass it on to the next person to continue! Everyone adding to it!</p>
Mrs Bourne	<p>Learn any new language - (including Japanese, Spanish, etc) on Duolingo which is a free language learning app: https://www.duolingo.com/</p>
Mrs Scott	<p>Download the app "OSnap" and create your own Stop Motion video. Share with a friend!</p>
Mr Garland and Mrs McKinnel	<p>VE Day activity – choose an activity from the list of options created to celebrate the 75th anniversary. The list is on show my homework</p>
Miss Rushbury	<p>Read – choose a book, read it and write a book review to share with your peers – you might like to use Audible, the online audiobook website, if you can't get hold of a physical book: https://stories.audible.com/start-listen</p>
Miss Long	<p>Kahoot Friday Quiz online Miss Long has put the PIN number on ShowMy Homework</p>
Mr Jones	<p>Cooking – recipe slips are being uploaded to SMH regularly, if it is possible, it would be a fantastic opportunity for pupils to develop practical skills. Any practical tasks carried out, please do let us know.</p>
