1. Exam responsibilities

Roles and responsibilities overview

The Head of Centre is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements in order to ensure the security and integrity of the examinations/assessments. The 'head of centre' is the most senior operational officer in the organisation. This may be the headteacher of a school, the principal of a college, the Chief Executive Officer of an Academy Trust or the Managing Director of a company or training provider. It is the responsibility of the head of centre to ensure that all staff comply with the instructions in this booklet.

The Examinations Officer is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

The head of centre may not appoint themselves as the examinations officer. A head of centre and an examinations officer are two distinct and separate roles. (GR 2)

For details about specific head of centre responsibilities, see sections 1, 8, 11, 12, 13, 16, 24, Appendix 1, section 6 and Appendix 8. (ICE Introduction)

- In order to avoid potential breaches of security, ensures care is taken to ensure the correct question paper packets are opened by ensuring a member of centre staff, additional to the person removing the papers from secure storage, e.g. an invigilator, checks the day, date, time, subject, unit/component and tier of entry, if appropriate, immediately before a question

paper packet is opened

- Ensures this additional/second check is recorded
- Where allowed by the awarding body, only releases exam papers and materials to teaching departments for teaching and learning purposes after the published finishing time of the exam, or until any timetable clash candidates have completed the exam

Reception staff

- Follow the process to log confidential materials delivered to/received by the centre to the point materials are issued to authorised staff for transferal to the secure storage facility

Teaching staff

- Adhere to the process to record the secure movement of confidential materials taken from or returned to secure storage throughout the time the material is confidential

4. Access Arrangements

The Head of Centre will:

- Ensures the centre has documented processes in place relating to access arrangements and reasonable adjustments

The Access Arrangements Policy can be found on the school website and staff shared drive.
...The head of centre/senior leadership team will... have a **written** process in place to not only check the qualification(s) of their assessor(s) but that the correct procedures are followed as in Chapter 7 of the JCQ publication *Access Arrangements and Reasonable Adjustments*... ([GR 5.4](#))

- Ensures there is appropriate accommodation for candidates requiring access arrangements in the centre for all examinations and assessments
- Ensures a written process is in place to not only check the qualification(s) of the appointed assessor(s) but that the correct procedures are followed as per Chapter 7 of the JCQ publication [Access Arrangements and Reasonable Adjustments](#)
- Ensures the SENDCo is fully supported in effectively implementing access arrangements and reasonable adjustments once approved

The SENDCo will:

- Ensure appropriate arrangements, adjustments and adaptations are in place to facilitate access to exams/assessments for candidates where they are disabled within the meaning of the Equality Act
- Ensure the candidate is involved in any decisions about arrangements, adjustments and /or adaptations that may be put in place for him/her
- Ensures exam information (JCQ information for candidates information, individual exam timetable etc.) is adapted where this may be required for a disabled candidate to access it
- Where relevant, ensures the necessary and appropriate steps are undertaken to gather an appropriate picture of need and demonstrate normal way of working for a private candidate (including distance learners and home educated candidates) and that the candidate is assessed by the centre's appointed assessor
- Have a process in place to deal with emergency access arrangements as they arise at the time of exams
 - applies for approval through AAO where required or through the awarding body where qualifications sit outside the scope of AAO

Facilitating Access Arrangements

- It is the responsibility of the Exams Officer to ensure that any approved Access Arrangements are accommodated in all external examinations, and external invigilators will be used in conjunction with LSA's and Support Staff where necessary.
- Non-examination assessments and internal tests will be accommodated using internal staff where possible which is the responsibility of the teaching staff by negotiation with the SENDCo. Where this is not possible, the Exams Officer may arrange for external invigilators to support with the permission of the LT.
- All internal staff involved with invigilation and/or facilitating Access Arrangements must attend a training/refresher session every year. This will be conducted by the Exams Officer in line with JCQ regulations.
- The Exams Officer will provide cover sheets for access arrangement candidates' scripts where required for particular arrangements

Use of a Word Processor in Exams

The Word Processor policy can be found on the shared staff drive and is reviewed annually by the Exams Officer and SENDCo.

A word processor cannot simply be granted to a candidate because he/she now wants to type rather than write in examinations or can work faster on a keyboard, or because he/she uses a laptop at home.

The use of a word processor must reflect the candidate's normal way of working within the centre.

A member of the centre's senior leadership team must produce a statement for inspection purposes which details the criteria the centre uses to award and allocate word processors for examinations. (AA 5.8)

Separate Invigilation

The SENDCo will determine whether candidates are eligible for separate invigilation (either in a smaller, shared room or entirely separately).

The SENDCo must make their decision based on:

- whether the candidate has a substantial and long term impairment which has an adverse effect; and
- the candidate's normal way of working within the centre.

For example, in the case of separate invigilation, the candidate's difficulties are established within the centre and known to a Form Tutor, a Head of Year, the SENDCo or a senior member of staff with pastoral responsibilities.

Separate invigilation reflects the candidate's normal way of working in internal school tests and mock examinations as a consequence of a long term medical condition or long term social, mental or emotional needs. ([AA 5.16](#))

The SENDCo, must ensure that the proposed access arrangement does not disadvantage or advantage the candidate. ([AA 4.2.1](#))

5. Exam Days and Invigilation

Exam Rooms

- The Exams Officer in conjunction with SLT and the SENDCO will allocate candidates to exam rooms. Allocation of Invigilators will be the responsibility of the Exams Officer.
- The rooms will be booked in advance by the exams officer in liason with other users
- Subject teachers will not be allowed in the exam room. In practical/technical exams Subject Teachers may be on hand in case of any technical difficulties.

Head of centre:

- Ensures that internal tests, mock exams, revision or coaching sessions are not conducted in a room 'designated' as an exam room
- Ensures that when a room is 'designated' as an exam room it is not used for any purpose other than conducting external exams
- Ensures only approved centre staff (who have not taught the subject being examined) are present in exam rooms to perform permitted tasks
- Ensures the centre's policy relating to food and drink that may be allowed in exam rooms is clearly communicated to candidates
- Ensures the centre's policy on candidates leaving the exam room temporarily is clearly communicated to candidates
- Ensure a documented emergency evacuation procedure for exam rooms is in place
- Ensure arrangements are in place for a candidate with a disability who may need assistance if an exam room is evacuated

The Exams Officer will:

- Deploy invigilators effectively to exam rooms throughout an exam series
- Provide a roving invigilator where a candidate and invigilator are accommodated on a 1:1 basis to enter the room at regular intervals in order to observe the conducting of the exam, ensuring all relevant rules are being adhered to and supporting the practical assistant/reader and/or scribe in maintaining the integrity of the exam
- Allocate invigilators to exam rooms (or where supervising candidates due to a timetable clash) according to the required ratios
- Liaise with the SENDCo/Deputy SENDCo regarding the facilitation and invigilation of access arrangement candidates
- Request from invigilators with adequate prior notice, details of their availability for the upcoming exam seasons in order to ensure adequate invigilation provision
- Ensure exam rooms are set up and conducted as required in the regulations
- Provide invigilators with appropriate resources to effectively conduct exams
- Brief invigilators on exams to be conducted on a session by session basis (including the arrangements in place for any transferred candidates and access arrangement candidates)
- Ensure sole invigilators have an appropriate means of summoning assistance (if this is a mobile phone, instructs the invigilator that this must be on silent mode)
- Ensure invigilators understand they must be vigilant and remain aware of incidents or emerging situations, looking out for malpractice or candidates who may be in distress, recording any incidents or issues on the exam room incident log
- Ensure invigilators understand how to deal with candidates who may need to leave the exam room temporarily and how this should be recorded on the exam room incident log
- Provide authorised exam materials which candidates are not expected to provide themselves
- Ensure invigilators and candidates are aware of the emergency evacuation procedure
- Ensure invigilators are aware of arrangements in place for a candidate with a disability who may need assistance if an exam room is evacuated

Site staff will:

- Ensure exam rooms are available and set up as requested by the EO
- Ensure grounds or centre maintenance work does not disturb exam candidates in exam rooms
- Ensure fire alarm testing does not take place during exam sessions

Invigilators

- Invigilators will conduct exams in every exam room according to JCQ Instructions for conducting examinations and/or awarding body requirements and as instructed by the centre in training/update and briefing sessions
- The Lead invigilator will start all exams in accordance with JCQ guidelines.
- External Invigilators should be used for all external exams where possible. The recruitment of Invigilators is the responsibility of the Exams Officer, supported by the Leadership team.

- Invigilators' rates of pay are set by TPAT.
- Securing the necessary Criminal Records Bureau (DBS) clearance for new Invigilators is the responsibility of the Personal Assistant to the Headteacher. Fees for securing such clearance are paid by the School.
- Invigilators are timetabled and briefed by the Exams Officer.

Identifying candidates in exam rooms

- The Exams Officer must ensure a procedure is in place to verify candidate identity including private candidates

Candidate Identification Procedure:

- Senior staff may be present at the start of the examination to assist with candidate identification (with the permission of the Head of Centre)
- Candidate cards showing name, photograph, exam number and access arrangements will be laid out by the invigilators according to the seating plan before candidates enter the room.
- Once students enter the exam room and are seated, invigilators will check the photographs and candidate cards – in large rooms, invigilators will be allocated specific rows of candidates to check.
- External candidates will be asked to bring photographic identification with them which will be checked before they enter the exam room.
- Any discrepancy or irregularity will be reported immediately to the Exams Officer.
- The centre will... verify the identity of all students that they enter for examinations or assessments. The centre must be satisfied that all candidate identities have been checked, whether as part of the initial registration process, or in the case of private candidates through a verification process which involves photo-ID ([GR 5.6](#))
- The centre will... have in place written procedures to verify the identity of all candidates at the time of the examination or assessment... ([GR 5.9](#))
- Invigilators must establish the identity of all candidates sitting examinations.
- A private/external candidate or a transferred candidate who is not known to the school or college must show photographic documentary evidence to prove that he/she is the same person who entered/registered for the examination/assessment, e.g. passport or photographic driving licence.
- Where it is impossible to identify a candidate due to the wearing of religious clothing, such as a veil, the candidate should be approached by a member of staff of the same gender and taken to a private room where they should be politely asked to remove the religious clothing for identification purposes. Centres must inform candidates in advance of this procedure and well before their first examination.
- Once identification has been established, the candidate should replace, for example, their veil and proceed as normal to sit the examination.
- Invigilators must be informed of those candidates with access arrangements and must be made aware of the access arrangement(s) awarded. ([ICE 16](#))

- The Exams Officer ensures exams are conducted according to JCQ and awarding body instructions
- The Exams Officer ensures invigilators are aware of the procedure and provides seating plans for exam rooms according to JCQ and awarding body requirements (and ensures candidates with access arrangements are identified on the seating plan and invigilators are informed of those candidates with access arrangements and made aware of the access arrangement(s) awarded)

Candidates

- Are required to follow the instructions given to them in exam rooms by authorised centre staff and invigilators
- Are required to remain in the exam room for the full duration of the exam
- External Candidates must provide identification in the form of their passport or driving licence. Internal candidates will be identified by the invigilators using photographic candidate cards.
- JCQ rules on candidates' use of mobile phones, watches and all electronic devices apply at all times. Candidates must not bring any unauthorised materials into the exam room.
- Normal Centre rules on uniform and behaviour apply.
- Disruptive candidates are dealt with in accordance with JCQ guidelines and the school's behaviour policy.
- Candidates will not be allowed to leave the exam room until the published finishing time. Toilet visits are allowed, but no additional time will be given unless the candidate has an established medical need and is entitled to Supervised Rest Breaks. Students who are entitled to Rest Breaks must only leave the room accompanied by an invigilator or the Exams Officer and remain under their supervision at all times until they return to the exam room. In the instance of candidates needing to leave the exam room for any other reason, for example because they are unwell, they must be supervised by an invigilator at all times. The Invigilator will record the time that candidates leave and return to the exam room on the Invigilator log.
- The Exams Office staff will attempt to contact any candidate who is not present at the start of an exam in line with JCQ guidelines. Students who are too unwell to take an examination should contact the school before the scheduled start time. The Exams Officer will then be able to offer advice on Special Consideration.
- Students are expected to be responsible for providing their own equipment for their exams. The Exams Office provide a minimal amount of 'spare' equipment in each venue but candidates are advised to ensure they bring all the equipment required for the exam.
- Candidates are not permitted to bring food into an exam room. Water, in a clear bottle with no label on is permitted. Squash, coloured liquids or fizzy drinks are not permitted. Exceptions to this are candidates with medical conditions (e.g. Diabetes) who may need to eat during an exam. Such candidates would be allowed Supervised rest breaks where they may leave the exam room to eat/drink in supervised conditions.

Clash candidates

- The supervision of candidates between exams is the responsibility of the Exams Officer. In cases of overnight supervision, candidates need to complete the appropriate documentation in accordance with JCQ regulations. This will only be considered where all other options have proved unsatisfactory, and only when the Headteacher is satisfied that the security of the examination can be maintained.

Candidate absence

Once candidates are seated and have started the examination, complete the attendance register. This will allow for the identification of absent candidates who can be contacted as to their whereabouts. (ICE 22)

Invigilators:

- Are informed of the policy/process for dealing with absent candidates through training
- Will complete the attendance register at the start of the exam and immediately notify the Exams Officer of any absentees
- Ensure that confirmed absent candidates are clearly marked as such on the attendance register and seating plan

The Exams officer will:

- Arrange for absent candidates to be contacted by phone
- Inform their Year Leader/member of pastoral team

Candidates and Parents/Carers

- Must contact school on the day of exam to inform them of any absence
- Must provide medical evidence where needed for a Special Consideration request
- Are re-charged relevant entry fees for unauthorised absence from exams

Candidate late arrival

A candidate who arrives after the start of the examination may be allowed to enter the examination room and sit the examination. This is entirely at the discretion of the centre.

A candidate who arrives late, and is permitted by the centre to sit the examination, must be allowed the full time for the examination. (ICE 21)

- Candidates who arrive late must be accompanied into the exam room by a member of exams staff
- They must be asked to check for unauthorised materials before entering the exam room and advised of all other exam regulations as per the invigilator announcement at the start of the examination
- Candidates will be allowed the full time for the examination
- Candidates who arrive very late (normally after one hour of the published start time for the examination) will be warned that their script may not be accepted by the awarding body.

- The Exams Officer will ensure that candidates who arrive very late for an exam are reported to the awarding body by submitting a report on candidate admitted very late to examination room through CAP to timescale
- The Exams Officer ensures all invigilators are informed of the policy/process for dealing with late/very late arrival candidates through training
- Invigilators ensure that relevant information is recorded on the exam room incident log

Special Consideration

- Should a candidate be too ill to sit an exam, suffer bereavement or other trauma or be taken ill during the exam itself, then it is the candidate's responsibility to alert the Exams Officer or the Exam Invigilator, to that effect.
- The candidate must support any special consideration claim with appropriate evidence within seven days of the exam, for example a letter from the candidate's doctor.
- If there is sufficient evidence to support the application, the Exams Office will then forward a completed special consideration form to the relevant Awarding Organisation within the JCQ's recommended deadlines.

Alternative site arrangements

Exams officer

- Ensures question papers will only be taken to an alternative site where the published criteria for an alternative site arrangement has been met
- Will inform the JCQ Centre Inspection Service to timescale by submitting a JCQ Alternative Site arrangement notification through CAP (or through the awarding body where a qualification may sit outside the scope of CAP) of any alternative sites that will be used to conduct timetabled examination components of the qualifications listed in the JCQ regulations

Transferred candidate arrangements

Exams officer

- Liaises with the host or entering centre, as required
- Processes requests for Transferred Candidate arrangements through CAP to the awarding body deadline (or through the awarding body where a qualification may sit outside the scope of CAP)
- Where relevant (for an internal candidate) informs the candidate of the arrangements that have been made for their transferred candidate arrangements

Dispatch of exam scripts

- The Exams officer will confirm arrangements for the dispatch of candidate exam scripts with the DfE (STA) 'yellow label service' or the awarding body where qualifications sit outside the scope of the service

JCQ Centre Inspections

Head of Centre:

- Co-operates with the JCQ Centre Inspection Service, an awarding body or a regulatory authority when subject to an inspection, an investigation or an unannounced visit, and takes all reasonable steps to comply with all requests for information or documentation made by an awarding body or regulatory authority as soon as is practical
- Allows all venues used for examinations and assessments, paperwork and secure storage facilities to be open to inspection
- Understands the JCQ Centre Inspector will identify him/herself with a photo ID card and must be accompanied throughout his/her tour of the premises, including inspection of the centre's secure storage facility

Exams officer or Senior leader with responsibility for exams (in exams officers absence):

- Will accompany the Inspector throughout a visit

SENDCo or Deputy SENDCO:

- Will meet with the inspector when requested to provide documentary evidence regarding access arrangement candidates and address any questions the inspector may raise
- Ensures that information is readily available for inspection at the venue where the candidate is taking the exam(s)

6. Internal Assessment

The Head of Centre:

- must ensure procedures are in place for candidates to appeal internal assessment decisions and make requests for reviews of marking, and that all staff are aware of this process.

Internal Appeals

- Ensures required internal appeals procedures are in place and drawn to the attention of candidates and (where relevant) their parents/carers

The Internal Appeals procedures can be found on the shared staff drive and on the school website. Students and Parents/Carers are sent a link to this section of the website during the first term of their exam year. (See also TPAT Complaints Policy in shared staff drive and school website)

The centre will... have in place and be available for inspection purposes, a **written** internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates... ([GR 5.7](#))

...have available for inspection purposes and draw to the attention of candidates and their parents/carers, a **written** internal appeals procedure to manage disputes when a candidate disagrees with a centre decision not to support a clerical re-check, a review of marking, a review of moderation or an appeal... ([GR 5.13](#))

Controlled assessments, coursework and non-examination assessments

- Ensures arrangements are in place to co-ordinate and standardise all marking of centre-assessed components and ensures that candidates' centre-assessed work is produced, authenticated and marked, or assessed and quality assured in accordance with the awarding bodies' instructions (including where relevant, private candidates)
- Ensures that teaching staff, in accordance with awarding bodies' instructions, return all subject-specific forms by the required date
- Provides fully qualified teachers to mark non-examination assessments
- Ensures an **internal appeals procedure** relating to internal assessment decisions is in place for a candidate to appeal against and request a review of the centre's marking (see above)
- Ensures a **non-examination assessment policy** is in place for qualifications which include components of non-examination assessment

The Non-Examination Assessment policy can be found on the staff shared drive and on the website. Staff are signposted to this every year by the Exams Officer.

The centre will... have in place and be available for inspection purposes, a **written** policy with regard to the management of GCE and GCSE non-examination assessments; (For CCEA GCSE centres this would be a **written** controlled assessments policy.) ([GR 5.7](#))

The JCQ requires each centre to have a non-examination assessment policy in place:

- to cover procedures for planning and managing non-examination assessments;
- to define staff roles and responsibilities with respect to non-examination assessments;
- to manage risks associated with non-examination assessments.

A JCQ Centre Inspector will ask the examinations officer to confirm that such a policy is in place. The guidance provided in this document will help the head of centre to ensure that the centre's policy is fit for purpose. The policy will need to cover all types of non-examination assessment.

Additionally, each centre must have available for inspection an internal appeals procedure relating to internal assessment decisions. ([NEA 1](#))

The Centre is obliged to publish a separate policy with regard to appeals, which is available from the Exams Office, Shared Staff Drive and on the website.

The main points are:

- Appeals can only be made in relation to the process leading to an assessment. There is no appeal against the assessment decision i.e. the mark or grade awarded.
- Candidates may appeal if they feel their coursework has been assessed unfairly, inconsistently or not in accordance with the specification for the qualification.
- In the first instance the student should raise any concerns about the assessment process with the teacher.
- If the student remains concerned having spoken to their teacher they should contact the Exams Officer.
- The student will be asked to make a written appeal which will be submitted to the relevant HOF. The grounds for the appeal must be clearly stated.
- The findings will be notified in writing, copied to the Headteacher/Executive Headteacher and recorded for Awarding Organisation inspection.

- Ensures any irregularities relating to the production of work by candidates are investigated and dealt with internally if discovered prior to a candidate signing the authentication statement (where required) or reported to the awarding body if a candidate has signed the authentication statement

The Exams Officer:

- must signpost staff to the relevant JCQ documentation regarding NEA's and appeals against internal assessment marks at the start of each academic year. These documents will be available on the shared staff drive.
- will ensure that the work is despatched at the correct time and that a record of what has been sent, when and to whom is maintained. Work returned to the Centre after moderation will be logged and stored securely until it is returned to teaching staff after the deadline for post-results reviews has passed.

Teachers:

- will ensure all NEAs are marked/internally verified in line with Awarding Organisation requirements. Teachers have the responsibility to ensure that appropriate quality assurance procedures are followed to include internal verification of assessed work.
- Teachers will ensure that all internal verification is completed by School internal deadlines.
- Teaching staff are responsible for informing candidates of their marks for all internally marked assessments, allowing enough time for the candidate to make an appeal (at least one week). Teachers must inform their students of their right to appeal and provide any documentation, such as the mark scheme, to students on request before marks are issued.

Heads of Faculty:

- Must ensure marks for all internally assessed work are provided to the Exams Office by the teachers. These should be received by the Exams Office in order to meet the internal exams office deadline.
- Ensure teaching staff keep candidates' work, whether part of the moderation sample or not, secure and for the required period stated by JCQ and awarding bodies
- Ensure work is returned to candidates or disposed of according to the requirements

Candidates:

- Candidates who have to prepare NEA work should do so by the required date.

7. Malpractice/Maladministration and Irregularities

Head of centre

- Through taking an ethical approach and working proactively to avoid malpractice among students and staff takes all reasonable steps to prevent the occurrence of any malpractice/maladministration before, during the course of and after examinations have taken place
- Ensures (as required by an awarding body) any cases of alleged, suspected or actual incidents of malpractice or maladministration before, during or after examinations/assessments (by centre staff, candidates, invigilators) are investigated and reported to the awarding body **immediately**, by completing the appropriate documentation

Senior leaders

- Ensure support is provided for the EO and invigilators when dealing with disruptive candidates in exam rooms
- Ensure that internal disciplinary procedures relating to candidate behaviour are instigated, when appropriate

Exams officer

- Provides an exam room incident log in all exam rooms for recording any incidents or irregularities
- Actions any required follow-up and reports to awarding bodies as soon as practically possible after the exam has taken place

Invigilators

- Where a candidate is being disruptive, the invigilator must warn the candidate that they may be removed from the examination room. The candidate must also be warned that the awarding body will be informed and may decide to penalise them, which could include disqualification.
- Record any incidents or irregularities on the exam room incident log (for example, late/very late arrival, candidate or centre staff suspected malpractice, candidate illness or needing to leave the exam room temporarily, disruption or disturbance in the exam room, emergency evacuation)

Further information on malpractice can be found in the document 'JCQ Suspected Malpractice' located on the shared staff drive and at:

<http://www.jcq.org.uk/exams-office/malpractice>

8. Results, Reviews of Results and Certificates

Results

Head of centre:

- Works with senior leaders to ensure procedures for managing the main summer results day(s) (a results day programme) are in place

Senior leaders will:

- Identify centre staff who will be involved in the main summer results day(s) and their role
- Ensure senior members of staff are accessible to candidates after the publication of results so that results may be discussed and decisions made on the submission of any requests for post-results services and ensures candidates are informed of the periods during which centre staff will be available so that they may plan accordingly

Site staff will:

- Ensure the centre is open and accessible to centre staff and candidates, as required for the collection of results

Candidates:

- All individual candidate statements of results for General Qualifications received during the course will be collected in person from the School, by the candidate themselves, a nominated relative (with written permission from candidate), or posted to their home address if requested in writing.

Post-results services

Reviews of Results

- The Centre is obliged to publish a separate policy with regard to post result reviews and appeals, which is available from the Exams Office, Staff Shared Drive and on the website.
- RoRs for General Qualifications may be requested by staff or candidates if there are reasonable grounds for believing there has been an error in marking. The Awarding Organisation's fee is payable by the candidate or, in exceptional circumstances, by the school.
- If a result is queried, the Exams Office in conjunction with teaching staff or Head of Centre will investigate the feasibility of asking for a review of marking. If there is a change in unit grade the candidate will receive a refund from the Awarding Body via the Exams Office.

Access To Scripts

- After the release of results of General Qualifications, candidates may request the return of papers within the Awarding Organisations' stated deadlines. Candidates will be expected to pay any fee charged by the Awarding Body for this service. Where an Awarding Organisation supplies the requested script electronically, the Exams Office will print the script for the candidate.
- Teaching staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained, and the school will cover the cost of the Awarding Body's fees.

Head of centre:

- Ensures an **internal appeals procedure** is available where candidates disagree with any centre decision not to support a clerical re-check, a review of marking, a review of moderation or an appeal
- Ensures that senior members of centre staff are available immediately after the publication of results
- Understands that if the centre has concerns about one of its component/subject cohorts, then requests for reviews of marking should be submitted for all candidates believed to be affected (candidate consent is required as marks and subject grades may be lowered, confirmed or raised)

Exams officer:

- Provides information to candidates (including private candidates) and staff on the services provided by awarding bodies and the fees charged (see also above **Briefing candidates and Access to Scripts, Reviews of Results and Appeals Procedures**)
- Publishes internal deadlines for requesting the services to ensure the external deadlines can be effectively met
- Provides a process to record requests for services and to collect candidate informed consent (**after** the publication of results) and fees where relevant
- Submits requests to awarding bodies to meet the external deadline for the particular service
- Tracks requests to conclusion and informs candidates and relevant centre staff of outcomes
- Updates centre results information, where applicable

Teaching staff:

- Meet internal deadlines to request the services and gain relevant candidate informed consent
- Identify the budget to which fees should be charged

Candidates:

- Meet internal deadlines to request the services
- Provide informed consent and fees, where relevant

Analysis of results

Data Manager:

- Provides analysis of results to appropriate centre staff
- Provides results information to external organisations where required
- Undertakes the [secondary school and college \(key stage 4/16-18\) performance tables June and September checking exercise \(where applicable\)](#)

Certificates

- Certificates are provided to centres by awarding bodies after results have been confirmed.
- Certificates are collected in person by the candidate on Presentation Evening or at a later date if necessary.
- Certificates are not withheld from candidates.
- May arrange for certificates to be collected on their behalf by providing the EO with written or email permission/authorisation; authorised persons must provide ID evidence on collection of certificates

Certificate Retention

Due to the number of requests received from former students, and the cost of replacement certificates, the school will retain uncollected certificates securely, space permitting. However, the school is only required to retain certificates for one year, after which they may be destroyed. The centre must keep records of when certificates are destroyed, which in turn must be retained for 4 years.
