

*Dream, Believe, Persevere, Achieve*

## **Cape Cornwall School**

### **Information for Applicants**

Cape Cornwall School is the most westerly secondary school in mainland England and with around 300 students on roll, is a small 11-16 school.

By setting high standards, not only in academic study but in all aspects of our school community, we seek to inspire students to dream, believe, persevere and achieve excellence.

Our vision is to realise the full potential of each individual, whatever their starting point, by providing personalised levels of challenge and excellent levels of support, encouragement and opportunities that enable all our young people to be successful, flourish and achieve independence.

Knowing each child as an individual and creating the circumstances both inside and outside of the classroom, through a mindset of challenge, discovery and enjoyment, we excite a spirit and energy for lifelong learning and success later in life.

We provide a diverse range of enrichment learning opportunities that encourage students to follow their passions, learn new skills and enhance their leadership abilities. Through teamwork, they are able to discuss, debate and learn with others, make an active contribution whilst respecting the views of others, preparing them for the changing world in which we live.
