

## Activities Week 1<sup>st</sup> – 5<sup>th</sup> July 2024. Water Week

Dear Parents/Carers,

I am writing to inform you that your child has been allocated to 'Water Week' during activities week.

Option	Mon 1st July	Tues 2nd July	Wed 3rd July	Thurs 4th July	Fri 5th July
<b>Water Week</b>  <b>£65</b>	Newquay Aquarium Shark Project	Swimming at Jubilee Pool in Penzance	Rock Pooling at Cape Cornwall	Plastic Project and Beach Clean at Sennen	Surfing at Sennen Cove

The classroom base for 'Water Week' will be EN4, where students will register each morning. Students will arrive at the usual school time and the school day will start at the usual time 8:35am.

The only exception to this is Monday 1<sup>st</sup> of July when students will be leaving via coach to Newquay at 8:35. On this day, students will need to arrive and register promptly.

Students will be allowed to wear their own clothes for the whole week - this needs to be appropriate clothing for the activity and the weather. Students will need to prepare for all possible weather conditions by bringing sun cream, sunhat, coat and a bottle of water. They will need warm clothing, especially for outdoor activities and the water based activities on Tuesday and Friday.

On Tuesday and Friday, students will need to bring swimwear or wear their swimwear under their clothing with a spare change of clothes. At Sennen Surf Centre and Jubilee Pool there will be adequate facilities for changing with boys and girls separated. Students should also bring a towel/towelling robe, a bottle of water and sunblock which is water proof. Students may bring their own wetsuit if they wish on Tuesday and Friday.

Students will be required to bring packed lunches on each day. If your child is eligible for free school meals, a packed lunch will be provided.

Students will be returning to school each day by 3pm to ensure students can return home using their usual transport.

Please respond to this letter to give consent for your child to attend the following: Newquay Aquarium, Jubilee Pool Penzance, Cape Cornwall Cove, Sennen Beach and Surfing at Sennen Surf Centre. Please also outline any updates to medical information.

Yours faithfully,

Amelia Dickinson
